

Sancart Opencart Template Documentation by Santosh Setty aka settysantu

Thank you for purchasing my template. If you have any questions that are beyond the scope of this help file, please feel free to email, via my user page [contact form](#). Thanks so much!

Version Compatibility:

Sancart Opencat Template works with Opencart 1.5.x version.

Theme Installation:

After purchasing sancart opencart template and downloading it you will get following files / folders .

A} Help

B} Logo

C} Opencart Templates (has 2 folders 1.5.1 and 1.5.2.1)

Now click on any version inside opencart-templates folder and you will see sancart folder, copy it and now click on you installation Root Folder then open Catalog folder after that click on View folder and then on theme and paste template over here.

For more help regarding adding products/images other, this link will be helpful <http://www.opencart.com/index.php?route=documentation/introduction>

Once again, thank you so much for purchasing this theme. As I said at the beginning, I'd be glad to help you if you have any questions relating to this theme. No guarantees, but I'll do my best to assist.
